## **Resolution 14-06**

### **Transfer of Dislocated Workers Funds to Adult Funds**

**Whereas**, Technical Advisory 08-06 dated October 8, 2008, allows for the transfer of 30% of Dislocated Workers funds, whether formula or supplemental funds, to be transferred to Adult funded programs, and

**Whereas**, the Jefferson-Lewis Workforce Area has more adult customers to serve than Dislocated Worker customers, it is in the best interest of the Jefferson-Lewis Workforce area to make this transfer of funds, and

**Whereas**, no eligible Dislocated Worker will be denied services, including training services, due to the lack of or transfer of funds. The Jefferson-Lewis Workforce Investment Board concurs with this request, and

**Whereas**, the NYSDOL has applied for a waiver from the USDOL for the transfer of 50% of Dislocated Worker funds to Adult funding, and should the state be granted this waiver.

**Therefore, be it resolved that** the Jefferson-Lewis Workforce Investment Board concurs with the local area's plan to transfer 30% of Dislocated Workers funds to Adult funds, and if granted the ability to transfer 50% of Dislocated Worker funds to Adult funds, to better serve the populations of Jefferson & Lewis Counties.
