Resolution 14-09
Individual Training Account Cap Increase

Whereas, Technical Advisory #09-2.1 dated February 23, 2015 defines the mechanism for the Approval of Individual Training Account Policy within the Jefferson-Lewis LWIA (LWDA).

Whereas, Individual Training Account (ITA) contracts will be subject to the funding limits as set by the LWIB (LWDB) as prescribed by TA #09-2.1 (Individual Training Account Approval Policy).

Whereas, Individual Training Account contracts must meet certain minimum elements as prescribed by TA #09-2.1, and as are drawn out in the attached ITA policy.

Whereas, ITAs are used for both Classroom Training and On-the-Job Training programs, and the Local Cap Limit will be set equally for both uses at \$5,000.00 per contract beginning on April 1, 2015 until such time as the LWIA (LWDB) deems otherwise by resolution.

Therefore, be it resolved that the Jefferson-Lewis Workforce Investment Area (Jefferson-Lewis Workforce Development Area) does hereby approve the Local Cap Limit of \$5,000.00 per ITA contract starting April 1, 2015.
