One-Stop Operator Report: One-Stop Operator Munson reported that we are working on rebuilding our On-the-Job Training program. She also shared that with the new Wage Transparency law, employers now need to post wages when posting a job opening. Job orders were high with 1,599 jobs posted in the 1st quarter of PY23. Lewis County One-Stop Manager Hetzner commented that 133 people interviewed for Marshall's positions and that the company hired 75 of those interviewed. Marshalls used our Lowville office for their hiring needs. Ms. Munson closed her report by discussing the training she conducted with Lewis County staff on a multitude of topics.

Director's Report/Financial Report: Director Mayforth shared that there is a bipartisan committee looking at updating WIOA. The new act will be called the Stronger Workforce for America Act. The committee is moving quickly and is looking at significant changes to the workforce development system.

Director Mayforth next discussed the fact that Trade Act has sunset and no new act to replace it is in the works. She also shared that we must follow up with our training participants for 5 quarters after completion. If the participant fails to provide us with information that becomes a negative outcome. A major concern we have is that participants are not following up, even though we stress this is a requirement when we fund them. We are looking at new strategies to improve follow-up. Mr. Dupee stated that there has been a revision for TAP and PELL to include part-time studies.

Director Mayforth also shared that we will be funding Spring semester students soon and are looking to increase spending of our Youth funds. The majority of our Work Experience funds are spent in May and June before the end of the program year, and our Summer Youth Program starts in July.

She also shared that the Disability Resource Coordinator program is a 5-year grant to serve those with disabilities. We are also at unprecedented unemployment rates this program year. Full employment is considered between 5.0% and 5.5%. The low UI rates have made it difficult for employers to find candidates.

Director Mayforth next discussed events held in the last quarter to include:

- October 3rd: 11th Annual Fall Job Fair at Hilton Garden Inn
- October 19th: Manufacturing Day (interrupted by the water crisis)
- October 23rd-25th: NYATEP conference in Syracuse
- November 15th: Workforce Connections
- December 1st & 2nd: Christmas Parades in Watertown & Clayton respectively

New Business:

- Resolution 23-04: Approval of Revision to the ITA Policy
Chairman Cooper asked for a motion of approval. Mr. Aiken made that motion. He next asked for questions or comments. There were none. The motion was seconded by Mr. Hagemann and approved unanimously.
