

Resolution 17-20

Approval of the One-Stop Certification Process

Whereas, the Workforce Innovation and Opportunity Act of 2017 in Section 121, 20 CFR 678 Subpart F (678.800), WIOA Training and Employment Guidance Letter (TEGL) Number 16-16 and CRC/ODEP Disability Reference Guide calls for Workforce Development Boards to certify One Stop Comprehensive and affiliate center every three years;

Whereas, the Jefferson-Lewis has a One-Stop Operator committee and a One-Stop Provider committee established to oversee the One-Stops;

Whereas, it is the responsibility of the local board to certify each center to perform this activity and conduct this certification according to the Technical Advisory issued by the state;

Whereas, the board needs to establish responsibility to the members of the Jefferson-Lewis to carry out the certification process.

Whereas, the certification should be completed by March 30, 2018.

Therefore, be it resolved that the responsibility of the certification of the Jefferson & Lewis One-Stop Centers will be the Executive Director along with the One-Stop Operator and One-Stop Provider committees and other members who volunteer to perform the certification of the One-Stops in accordance with the guidance in the form of a Technical Advisory.
