Describe current agricultural activity on the above parcels: _____

I attest that the above information is correct to the best of my knowledge and hereby officially request that **my property**, which is predominantly viable agricultural land, be included in a NYS Certified Agricultural District. I recognize that such land, once officially included in the Agricultural District, may not be removed until the eight-year review period for the Agricultural District in which my land is placed. I understand that this is not an application for an agricultural tax assessment. I also acknowledge that this request is subject to a public hearing, action by the Jefferson County Agricultural and Farmland Protection Board and the Jefferson County Board of Legislators and certification by the NYS Department of Agriculture and Markets.
