FOR IMMEDIATE RELEASE – September 14, 2020

Overdose Activity in Jefferson County – WARNING!

Contact: Stephen A. Jennings, Public Information Officer - (315) 786-3710

WARNING!

Jefferson County, NY has experienced 4 known overdoses from drug use within the last 24 hours. All of these overdoses were non-fatal.

Individuals using drugs, including but not limited to marijuana, cocaine, methamphetamine, and heroin, must understand that **NO DRUG IS SAFE, and ANY DRUG COULD CONTAIN LETHAL AMOUNTS OF FENTANYL.**

According to data submitted by first responders utilizing the ODMAP software system, the county has experienced 192 known overdoses from drug use in 2020 to date. Heroin and Fentanyl are the suspected primary drugs in 75% of cases, however other drugs or combinations of drugs are also causing these overdoses.

Per data submitted in the ODMAP system, overdose activity reported includes 18 in January, 16 in February, 22 in March, 27 in April, 32 in May, 35 in June, 21 in July, 14 in August, and 7 to date in September - 4 within the last 24 hours.

There have been 22 confirmed overdose deaths for 2020 in Jefferson County, and include 3 in January, 1 in February, 5 in March, 2 in April, 2 in May, 8 in June, and 1 in July. Twenty (91%) of these confirmed deaths are due to opioids; 18 of these attributed specifically to the opioid fentanyl. An additional 1 suspected overdose fatality is pending toxicology report confirmation.

The Jefferson County Public Health Service, Jefferson County Department of Community Services, and the Alliance for Better Communities want to remind people that a number of community resources have been established and expanded to help people who have substance use disorders, and for people to access these resources to receive assistance and treatment:

Anchor Recovery Center of NNY: (315) 836-3460

Credo Community Center for Treatment of Addictions: (315) 788-1530

ACR Health: (315) 785-8222

Samaritan Addiction Services: (315) 779-5060

Samaritan Medical Center - Social Worker on Call: (315) 785-4516

Suicide Prevention Hotline: 1-800-273-8255

Northern Regional Center for Independent Living: (315) 785-8703 business hours;
and (315) 785-8708 nights and weekends.

Mobile Crisis Jefferson County: (315) 782-2327 or (315) 777-9681

Hope Line: 1-877-8-HOPENY or Text 46736

To receive Naloxone training and free kits, contact Credo, ACR Health, or the Anchor Recovery Center of NNY

The public is also reminded of **New York State's 911 Good Samaritan Law**, which allows people to call 911 without fear of arrest due to drug possession if they are having a drug or alcohol overdose that requires emergency medical care or if they witness someone overdosing.

###

Additional information regarding this situation will be forthcoming.
