Prior to submission of a bid it is the responsibility of each Bidder to become fully familiar with the requirements of this solicitation. No Bidder may plead misunderstanding because of the misinterpretation of estimates, scope of work, or other issues related to this request. It shall be the responsibility of each Bidder to identify any apparent discrepancy in the specifications or question of interpretation thereof. Failure to do so constitutes acceptance as written. The apparent silence of this specification as to any details or the omission from it of a detailed description concerning any part shall be interpreted as meaning that only the best commercial practices are to prevail and that only materials and workmanship of first quality are to be used. The County shall have the right to waive any technical defect, qualification, omission, informality, or irregularity in any bid received if, in its judgment, the best interest of the County shall thereby be served. **The County will issue no response to any request for clarification received within ten (10) days of the due date.**

The County reserves the right to make whatever investigations or inquiries necessary to determine the competency and ability of any Bidder to complete the requirements of this solicitation. A review may include but not be limited to inspection of the Bidder's facilities and equipment, references or previous contract performance with the County or others.

8. **Award.** The County has endeavored to incorporate within these specifications all the elements which it reasonably anticipates will be required to obtain responses from qualified Bidders. By submission of a bid you agree to provide goods or services consistent with these specifications unless otherwise stated. The bid will be awarded to the lowest responsive and responsible Bidder meeting the specifications or providing acceptable deviation.

The County reserves the right to reject in whole or part, any or all bids deemed not to be in the best interest of the County at the sole discretion of the County. If two or more Bidders submit identical bids as to price, the decision of the County to award a contract to one of such Bidders shall be final. The resulting contract award shall be deemed executory only to the extent of the monies appropriated and available, and no liability on account thereof shall be incurred by the County beyond the amount of such monies. It is understood that neither this contract nor any representation by any public employee or office creates any legal or moral obligation to request, appropriate or make available monies for the purpose of the contract. Insofar as the facts and Law relating to any claim would preclude COUNTY or its officers, employees or agents, from being completely indemnified by CONTRACTOR, COUNTY and its officers, employees and agents, shall be partially indemnified by CONTRACTOR to the fullest extent permitted by Law. The acts or omissions of any party employed directly or indirectly by CONTRACTOR, shall be deemed to be that of CONTRACTOR for the purposes of the CONTRACTOR's obligations to defend, indemnify and hold harmless under this Section. If mutually agreed between the County and the Vendor, the contract may be renewed under the same terms and conditions for an additional (1) one year not to exceed a total contract term of four (4) years. Notice of intent to renew will be provided to the contractor generally within ninety (90) days prior to the expiration date of the current contract. This notice shall not be deemed to commit the County to renew the contract for the renewal period until such time as the County takes official action (generally by issuing a formal Purchase Order) to commit to such renewal. The County may issue new bids for a replacement contract at any time during the term of the initial contract if deemed necessary by the County to do so.
13. Contract Cancellation. Unless otherwise noted, the County of Jefferson retains the right to cancel any contract without cause provided the Vendor is given at least thirty (30) days notice of intent to cancel. This provision should not be understood as waiving the County's right to terminate the contract for cause or stop work immediately for unsatisfactory work, but is supplementary to that provision.
14. Pursuant to the provisions of Section 109 of the General Municipal Law, no Bidder to whom a contract is granted or awarded shall assign, transfer, convey, subcontract, or otherwise dispose of all or part of such contract, or of his right, title, and interest herein, including the performance of the contract or the right to receive monies due, or to become due, or of his power to execute the contract without the prior written consent of the Jefferson County Purchasing Department

All material submitted in response to this Bid becomes the property of the County and will be considered public records after the award of the contract. Proposals shall not be shared with any competing offerors during the selection phase of this procurement; however, after award of the contract to the successful offeror, proposals received in response to this Request for Proposal may be subject to disclosure under a provision of the Freedom of Information Act. Information in proposals that is clearly identified as proprietary will not be disclosed at any time. Blanket statements that all contents of the proposal are confidential and proprietary will not be honored by the County. The New York State Freedom of Information Law (FOIL), as set forth in Public Officers Law, Article 6, mandates public access to certain government records. Generally, proposals submitted in response to this Bid may constitute government records subject to FOIL. Proposals may contain, among other things, certain technical, financial, or other data and information that constitute trade secrets, if publicly disclosed, could cause substantial injury to the commercial enterprise's competitive position. To protect this information from disclosure under FOIL, Proposers should

specifically identify the pages of the proposal that contain such information by properly marking the top of the applicable pages as "CONFIDENTIAL" and inserting the following statement in the front of its proposal:

In the event the County receives a FOIL request for disclosure of information marked as "CONFIDENTIAL", the Proposer shall be notified of the request and may expeditiously submit a detailed statement and explanation indicating the reasons the Proposer has for believing that the information requested is exempt from disclosure under the law. This detailed statement and explanation shall be used by the County in making its determination as to whether disclosure is required under the law.

17. Equivalency. In submitting a proposal, the Bidder is agreeing to provide goods and services consistent with the specifications. Where a brand name or equivalent specification is used in this solicitation, the use of any brand name noted is for the purpose of describing the standard of quality, performance and characteristics desired and is not intended to limit or restrict competition.

A Contract, if awarded, will be on the basis of materials and equipment as described in the Drawings, or the Specifications, and "or equal" items submitted by the Bidder and accepted by the County. The Bidder may offer "or equal" items that meet the same performance or reliability standards as specified herein. If the Bidder offers an "or equal" item, the Bidder must include with the bid package, documentation establishing equality of construction, operation and utility. Said "or equal" items shall be accepted or rejected based upon the County's evaluation of the submitted documentation. All costs associated with the review of any "or equal" items prior to recommendation to award, shall be at the Bidder's expense.

If a submitted "or equal" item is rejected, the Bidders shall be afforded an opportunity to meet with the County to offer additional qualifying opinions and information prior to the County rejecting the bid. The Bidder shall not have the opportunity to submit any alternative materials or equipment after the bids are opened.

The decision to accept or reject an "or equal" item rests solely with the County. If a substitute "or equal" item is not accepted by the County, the bid will be deemed non-responsive and the County shall reject this bid. The next lowest responsive bid shall then be reviewed for recommendation of award.

If at any time during the term of this contract the successful vendor also has a NYS, GSA, or other contract legally available to the County through General Municipal Law, the County reserves the right

and is implementing a formal plan to cease the investment activities in Iran and to refrain from engaging in any new investments in Iran; or
