INSTRUCTIONS TO PROPOSERS

A. DOCUMENTS

A complete set of documents shall be used to prepare a response to this request. The County does not assume responsibility for errors or misinterpretations resulting from the use of incomplete sets of the documents which make up this request. A complete set of documents may be examined or obtained from the Jefferson County Purchasing Department. Please submit two (2) copies - one (1) original unbound and one (1) copy.

B. GENERAL INFORMATION

An RFP defines the situation for which the services are required, how they are expected to be used and/or problems that they are expected to address. Proposers are invited to submit solutions which will result in the satisfaction of the County's objectives in a cost-effective manner. The proposed solutions are evaluated against a predetermined set of criteria of which price may, but may not always be the primary consideration.

The County has endeavored to incorporate within these specifications all the elements which it reasonably anticipates will be required to accomplish the intended objectives set forth in this Request for Proposal. In submitting a proposal, the Proposer is agreeing to provide services consistent with these specifications. Anything not specifically noted but deemed necessary for the operation of the proposal solution should be included in all proposals. If a Proposer identifies an additional element which in its judgement would be essential to accomplish the intended objectives of this RFP, the Proposer should explain in detail why the County should consider including this element within the Request for Proposals. Conversely, if a Proposer identifies a task in the RFP which could be modified or deleted without impacting the objectives of the RFP, the Proposer should provide an explanation as to why the task should be deleted or modified. The County reserves the right to accept or reject the addition, deletion or modification of an element of these specifications.

Formal requests for clarification or questions regarding this Request for Proposal should be submitted via email to the Jefferson County Purchasing Department, 195 Arsenal Street, Watertown, New York 13601, at Purchasing@co.jefferson.ny.us. Any information given to a Proposer in response to a formal request will be furnished to all Proposers as an amendment to this solicitation if such information is deemed necessary for the preparation of uniform proposals. Only such amendments when issued by the County Purchasing Department will be considered as being binding on the County. Verbal explanations or instructions given by a County employee, consultant, etc, to a Proposer regarding this solicitation shall not be binding on the County, and shall be considered informal unless confirmed in writing by the Purchasing Department. The County will issue no response to any request for clarification received later than seven (7) days prior to the proposal due date.

PLEASE NOTE THAT THE COUNTY WILL NOT PROVIDE VERBAL RESULTS OF ANY RFP. REQUESTS FOR COPIES OF THE FINAL AWARD OR RELATED DOCUMENTS MUST BE SUBMITTED IN WRITING (EMAIL IS ACCEPTABLE) TO THE JEFFERSON COUNTY PURCHASING DEPARTMENT. RESPONSES WILL BE PROVIDED AS SOON AS POSSIBLE.

While it is the County's express intention to issue a fair and competitive document, the County reserves the right to waive specific requirements of this solicitation when such waiver is deemed to be in the County's best interest. This Request for Proposal does not commit the County of Jefferson to award a contract or pay any costs incurred by a Proposer in the preparation of a proposal. Any Proposer who submits a proposal in response to this solicitation does so at their own expense including attendance at subsequent meetings to discuss their proposal.

C. EVALUATION – AWARD

All proposals received in response to this RFP will be evaluated to determine if they are complete and meet the requirements specified in this RFP. After determining that a proposal satisfies the requirements stated in the RFP, a comparative assessment of the relative benefits and deficiencies of the proposal in relationship to the published evaluation criteria will be made using subjective judgement. The award of a contract shall be based on the lowest and best proposal received in accordance with the evaluation criteria listed on page 12, and

whose offer is judged to be the most advantageous to the County. If needed, additional information, and/or interviews may be requested.

The County of Jefferson reserves the right to accept or reject any or all proposals, (in whole or in part), received to waive any technical defect, qualification, omission, informality, or irregularity, to negotiate with all qualified Proposers, or to cancel in part or in its entirety this Request for Proposal if it is deemed in the best interests of the County to do so.

The County of Jefferson may award a contract based upon the proposals received without discussion of such proposals with Proposers. Each proposal should therefore be submitted with the most favorable terms the Proposer can make to the County.

D. QUALIFICATIONS

Each Proposer must be prepared to present satisfactory proof of his capacity and ability to successfully complete the requirements of this solicitation.

The County reserves the right to make whatever investigations or inquiries necessary to determine the competency and ability of any Proposer to complete the requirements of this solicitation. A review may include but not be limited to inspection of the Proposer's facilities and equipment, references or previous contract performance with the County or others.

E. DISQUALIFICATION

The County reserves the right to reject any proposal for any of the following reasons:

- Failure to satisfy the requirements of this RFP.
- Failure to settle outstanding bills for labor or materials related to previous contracts with the County.
- The Proposer defaulted under previous contracts with the County.
- If it is determined that the Proposer is already obligated for the performance of other work which would delay the commencement, prosecution, or completion of the services required.
- Lack of sufficient personnel, assets, or financial resources necessary to provide the services successfully as revealed by either financial statements or experience.
- Evidence of Collusion among Proposers.
- The Proposer cannot satisfy the County as to ability to perform.

F. NO MISUNDERSTANDING

Prior to submission of a proposal, it is the responsibility of each Proposer to become familiar with the requirements of this RFP. No Proposer may plead misunderstanding or deception because of the misinterpretation of estimates, scope of work, or other issues related to this request.

G. FORM OF CONTRACT

The County intends to issue its own contract or a formal Purchase Order(s) to initiate and authorize the services included in this RFP. The final contract will involve, at a minimum, the terms and conditions set forth in this Request for Proposal including the general conditions, and may include those reflected in the specific proposal submitted. The content shall be the exclusive source of the Proposer's rights and remedies and shall supersede any and all prior writings, negotiations or agreements of any kind.

H. CANCELLATIONS

The County of Jefferson retains the right to cancel the contract resulting from this RFP without cause provided the Contractor is given at least thirty (30) days notice of intent to cancel. This provision should not be understood as waiving the County's right to terminate the contract for cause or stop work immediately for unsatisfactory work, but is supplementary to that provision.

I. CONTRACT TERM

The initial contract term shall be from **Date of Award through Completion of the one day event.**

GENERAL CONDITIONS

In submitting a proposal, a Proposer agrees to be bound by the requirements set forth in the following general conditions. Whenever reference is made to the term “contractor” this shall include the party with whom the County has entered into an agreement, as well as any subcontractors whom the Proposer has engaged to complete portions of this Contract.

- A. The Proposer certifies that the price proposal has been identified independently, without collusion, consultation, communication or agreement for the purposes of restricting competition or any matter relating to such prices with any other Proposer or Competitor.
- B. No employee of Jefferson County has any direct or indirect interest in the award of a contract for the services set forth in this Request for Proposal. The Proposer warrants to the best of his knowledge and belief there are no relevant facts or circumstances which could give rise to an organizational conflict of interest as herein defined, or that the Proposer has disclosed all such relevant information to the County. An organizational conflict of interest exists when the nature of the work to be performed under a contract may, without some restriction of future activities, either result in an unfair competitive advantage to the Proposer or impair a Proposer’s objectivity in performing the work for the County. The Proposer agrees that if any actual or potential organizational conflict of interest is discovered after the award, the Proposer will make a full disclosure in writing to the County. This disclosure shall include a description of actions which the Proposer has taken or proposes to take after consultation with the County to avoid, litigate, or minimize the actual or potential conflict. The County may terminate the contract in whole or in part if it deems such termination necessary to avoid an organizational conflict of interest. If the Proposer was aware or discovered an actual or potential conflict after award and did not disclose or misrepresented relevant information to the County, the County may terminate the contract or pursue such other remedies as may be permitted by the law or the contract.

The County may terminate any agreement if it is determined that gratuities in the form of entertainment, gifts, or otherwise were offered or given by a Proposer or representative to any County official or employee. The County may also terminate any contract if it is determined that the successful Contractor engaged in any other illegal or improper scheme that may imply favoritism or unfairness incidental to the solicitation process or the performance of the agreement. In the event that it is determined that said improper or illegal acts occurred, the County shall be entitled to terminate the agreement and/or exercise any other remedy available to it under existing law.

- C. It is agreed that the successful Contractor will be responsible for any loss, personal injury, death, or other damage that may be done or suffered by reason of the Contractor’s negligence, or failure to perform any of the obligations defined by this RFP, and the Contractor hereby agrees to defend, indemnify and save the County harmless for any loss, cost, damages and other expenses suffered by the County by reason of the Contractor’s negligence or failure to perform any of the set obligations. The Contractor agrees to defend the County in any action or suit brought against the County arising out of the Contractor’s negligence, errors, acts or omissions. The negligence of any agent, servant or employee of the Contractor is deemed to be negligence of the Contractor within the meaning of this paragraph.
- D. Proposers may utilize subcontractors to complete the project provided that the Proposer is required to provide any information concerning such subcontractors requested by the County. In the event that a contract is awarded to a Proposer choosing to utilize a subcontractor, the successful Proposer will be responsible for ensuring that the subcontractors meet the requirements of this Request for Proposal and the contract between the County and the successful Proposer.
- E. It is understood that the successful Proposer is an independent Contractor and shall not be considered an agent of the County, nor shall any of the Proposer’s agents or employees be considered subagents for the County.

- F. The successful Proposer shall without additional expense to the County be responsible for complying with any and all applicable laws, codes, and regulations in connection with the goods and services identified in this proposal. The County fully complies with the regulatory requirements, spirit, and intent of Affirmative Action and Equal Opportunity Employment. The successful Proposer agrees to comply with the non-discrimination and employment practices as required by applicable State and Federal laws and regulations regarding employment discrimination. The Proposer assures the County that in accordance with applicable law: it does not and agrees that it will not discriminate in any manner on the basis of age, color, creed, national origin, race, religious beliefs, sexual preference or handicap. The Laws of New York State shall apply in construing any and all provisions of the RFP and resulting agreement.
- G. Pursuant to the provisions of Section 109 of the General Municipal Law, no Proposer to whom a contract is awarded shall assign, transfer, convey, subcontract, or otherwise dispose of all or part of such contract, or of his right, title, and interest herein, including the performance of the contract or the right to receive monies due, or to become due, or of his power to execute the contract without the prior written consent of the Jefferson County Purchasing Department. In the event the Proposer shall, without prior written consent, assign, transfer, convey, subcontract or otherwise dispose of the contract, or of his right, title, and interest herein, including the performance of the contract, or the right to receive monies due, or to become due, or his power to execute such contract, to any other person or corporations or upon receipt by Jefferson County of an attachment against the Proposer, the County of Jefferson shall be relieved and discharged from any and all liability and obligation growing out of such contract to such Proposer and the person or corporation to which such contract shall have been assigned, his assignees, transferees, or sublessee shall forfeit and lose all monies theretofore assigned on this contract, except so much as may be required to pay his employees.
- H. There shall be no right to binding arbitration. Pending final resolution of the dispute, the successful Proposer must proceed diligently with contract performance. All material submitted in response to this RFP becomes the property of the County and will be considered public records after the award of the contract. Proposals shall not be shared with any competing offerors during the selection phase of this procurement; however, after award of the contract to the successful offeror, proposals received in response to this Request for Proposal may be subject to disclosure under a provision of the Freedom of Information Act. Information in proposals that is clearly identified as proprietary will not be disclosed at any time. Blanket statements that all contents of the proposal are confidential and proprietary will not be honored by the County. The New York State Freedom of Information Law (FOIL), as set forth in Public Officers Law, Article 6, mandates public access to certain government records. Generally, proposals submitted in response to this RFP may constitute government records subject to FOIL. Proposals may contain, among other things, certain technical, financial, or other data and information that constitute trade secrets, if publicly disclosed, could cause substantial injury to the commercial enterprise's competitive position. To protect this information from disclosure under FOIL, Proposers should specifically identify the pages of the proposal that contain such information by properly marking the top of the applicable pages as "CONFIDENTIAL" and inserting the following statement in the front of its proposal:

The information or data on pages _____ of this proposal, identified on the top thereof as "CONFIDENTIAL", contain financial, technical, or other information which constitute government records subject to FOIL. Proposals may contain, among other things, certain technical, financial, or other data and information that constitute trade secrets, if publicly disclosed, could cause substantial injury to the commercial enterprise's competitive position. We request that the County use such information only for the evaluation of this proposal but we understand that the Authority must comply with the provisions of the New York State Freedom of Information Law (FOIL) and public disclosure of the information contained in this proposal whether or not marked as "CONFIDENTIAL", and to make no claim for any damages as a result of any such disclosure by the County pursuant to FOIL.

In the event the County receives a FOIL request for disclosure of information marked as "CONFIDENTIAL", the Proposer shall be notified of the request and may expeditiously submit a detailed statement and explanation indicating the reasons the Proposer has for believing that the information requested is exempt from disclosure under the law. This detailed statement and explanation shall be used by the County in making its determination as to whether disclosure is required under the law.

Any agreement between the County and the successful Proposer shall be executory only to the extent of the monies appropriated therefore. Contract award decisions will be made public as soon as possible. Proposers should not assume that their proposal has been approved until the receipt of official notification from the County of Jefferson. Neither this solicitation nor any representation by any public employee or office creates any legal or moral obligation to request, appropriate, or make available monies for the purpose of this solicitation.

In accordance with New York State General Municipal Law, the County of Jefferson will not be liable for purchases or contracts for goods or services for which funding is not available. As a result, the Vendor/Proposer agrees to hold the County harmless for any contracts let for which funding either does not currently exist or for which funding has been removed prior to the issuance of a purchase order by the County. Issuance of a purchase order by the County indicates that the County currently has and has set aside adequate funds to procure the goods and services indicated in the purchase order or contract. Should it become necessary for the County to cancel a project or purchase after an order to proceed or purchase order has been issued, the County will only be liable for and the Vendor/Proposer agrees to only assess those financial damages that it can prove to have incurred as a result of the cancellation.
