**Contract Price Adjustment:									
All prices submitted must remain firm for a period of six (6) months from the date of award.									
The change in price structure (increase or decrease) must be based on fluctuations in the latest published Consumer Price Index (CPI) for all urban consumers, as published by the U.S. Department of Labor, Bureau of Labor Statistics which is available at <a href="https://stats.bls.gov">https://stats.bls.gov</a> .									
If, at the end of six months, the awarded vendor is unable to meet contractual requirements in whole or in part based on the price structure of the contract, shall immediately notify the County in writing. The County may, but is not required to, consider an adjustment in the contract terms and/or pricing.									
Should the County in its sole discretion determine during the Contract term that the contract price structure results in prices which are unreasonable, excessive, or not truly reflective of current market conditions, and no adjustments in the contract terms and/or pricing is mutually agreeable, the County may terminate the contract through written notice to the vendor, purchase from an alternate source, or rebid the contract.
