Whenever reference is made to "Contractor", "Bidder", or "Vendor", this shall include the party with whom the County has entered into an agreement, as well as any subcontractors whom the Bidder has engaged.
2. The County does not assume responsibility for errors or misinterpretations resulting from the use of incomplete sets of documents or documents that were not directly issued by the Jefferson County Purchasing Department. Any Vendor submitting a bid based on incomplete or inaccurate information resulting from documentation received from a third party shall not have cause for relief or completion of a contract in accordance with the official documents on file with the Purchasing Department. Verbal explanations or instructions regarding this bid provided by anyone other than an employee of the Purchasing Department shall be considered informal and will not be binding on the County unless confirmed in writing as an amendment to this solicitation, if such information is deemed necessary for the preparation of uniform bids. The County reserves the right to "Revise" or "Amend" the bid specification prior to the bid opening date by "Written Addenda"
Prior to submission of a bid it is the responsibility of each Bidder to become fully familiar with the requirements of this solicitation. No Bidder may plead misunderstanding because of the misinterpretation of estimates, scope of work, or other issues related to this request. It shall be the responsibility of each Bidder to identify any apparent discrepancy in the specifications or question of interpretation thereof. Failure to do so constitutes acceptance as written. The apparent silence of this specification as to any details or the omission from it of a detailed description concerning any part shall be interpreted as meaning that only the best commercial practices are to prevail and that only materials and workmanship of first quality are to be used. The County shall have the right to waive any technical defect, qualification, omission, informality, or irregularity in any bid received if, in its judgment, the best interest of the County shall thereby be served. **The County will issue no response to any request for clarification received within seven (7) days of the due date.**
3. Bids should be submitted in a sealed envelope marked with the name of the bid and the words "**SEALED BID**" written on the outside of the envelope. No employee in the Purchasing Department will be held liable for the premature opening of any bid received not designated as such. Bids submitted by **FAX OR E-MAIL** will not be accepted.
4. Taxes. No charge will be allowed for federal, state, sales, and excise taxes from which the County is exempt. Exemption Certificates will be provided upon request.
5. Deviations. Deviations to the specifications must be fully explained, and if judged to be in the best interest of the County, may be accepted at the sole discretion of the County.
6. Qualifications. Each Bidder must be prepared to present satisfactory proof of his ability to successfully complete the requirements of this solicitation.
The County reserves the right to make whatever investigations or inquiries necessary to determine the competency and ability of any Bidder to complete the requirements of this solicitation. A review may include but not be limited to inspection of the Bidder's facilities and equipment, references or previous contract performance with the County or others.
7. Accountability - Bidder shall be fully accountable for his or her performance under any contract executed pursuant to this solicitation, and agrees to answer under oath all questions relevant to the performance thereof as to any transaction, or action done or omitted in connection therewith if called before any Judicial, County or State Office or Agency empowered to investigate the contract or performance. By submitting a bid, the bidder affirms that all the requirements of the specifications are understood and accepted, and prices quoted shall be considered all-inclusive except as noted.

Each bidder affirms that all figures provided are correct to the best of their knowledge and understands that Jefferson County will not be responsible for any errors or omissions on the part of the bidder regarding estimates, calculations, or preparation of the bid, and will not be grounds for withdrawal or correction of the bid or bid security except as provided under General Municipal Law. In case of errors between unit and extension of prices, the unit price will govern.

8. **Award.** The County has endeavored to incorporate within these specifications all the elements which it reasonably anticipates will be required to obtain responses from qualified Bidders. By submission of a bid you agree to provide goods or services consistent with these specifications. The bid will be awarded to the lowest responsive and responsible Bidder meeting the specifications or providing acceptable deviation.

Unless otherwise noted, the County reserves the right to award this bid in whole or in part based on the lowest price of a single item, group of items, categories, etc. to a single Bidder or to multiple Bidders in any manner if deemed to be in the County's best interest. The County reserves the right to reject in whole or part, any or all bids deemed not to be in the best interest of the County at the sole discretion of the County. If two or more Bidders submit identical bids as to price, the decision of the County to award a contract to one of such Bidders shall be final. This contract shall be deemed executory only to the extent of the monies appropriated and available for the purpose of the contract, and no liability on account thereof shall be incurred by the County beyond the amount of such monies. It is understood that neither this contract nor any representation by any public employee or office creates any legal or moral obligation to request, appropriate or make available monies for the purpose of the contract. The bid documents and Notice of Award shall be the agreement between the County and successful bidder with respect to the matters dealt with herein, and such shall supersede all other oral and written proposals, representations, understandings, and agreements previously made or existing "with respect to" any such matter. The County intends to issue a formal Purchase Order or Contract to purchase the goods and/or services described in this solicitation. It is understood that the successful Contractor is an independent Contractor and shall not be considered an agent of the County, nor shall any of the Contractor's agents or employees be considered subagents for the County.

PLEASE NOTE THAT THE COUNTY WILL NOT PROVIDE VERBAL RESULTS OF ANY BID. REQUESTS FOR BID RESULTS MUST BE SUBMITTED IN WRITING TO THE JEFFERSON COUNTY PURCHASING DEPARTMENT. RESPONSES WILL BE PROVIDED AS SOON AS POSSIBLE.

9. **New York State Wage Rates.** If any portion of work being bid is subject to the prevailing wage rate provisions of the NYS Labor Law, the successful bidder is responsible for complying with all current labor rates and regulations throughout the duration of any contract resulting from this bid and will conduct his business in strict compliance with County Law, New York State Labor Laws, Federal OSHA Laws, and all other laws that apply.

The current schedule(s) of the prevailing rates and hourly supplements for this project may be accessed at the New York State Department of Labor website @ www.labor.state.ny.us. The County has applied for and received a PRC number for this project. Copies of the schedule can be accessed by entering the assigned **PRC #2019001614** at the proper location on the website or rates can be obtained by contacting the Department of Labor.

If you do not have internet access you may contact the Jefferson County Purchasing Department at (315) 785-3077 to request a copy of the prevailing rate schedule for this project.

The County will only pay, and the bidder agrees to only charge prevailing wage rates to those employees of any organization that are required by New York State law to receive said rates in the course of performing work for the County as part of this contract. The County reserves the right to withhold payment to the successful bidder pending receipt of certified payrolls in accordance with New York State Department of Labor regulations. The County Department will provide the name and

address of the individual to whom the certified payrolls must be forwarded before invoices will be approved and paid.

The Contractor agrees to verify all rates with the New York State Department of Labor prior to submitting a proposal and prior to doing any work for the County as well as to establish which of those workers involved in any part of the contract for the County are required by law to receive said rates.

Vendors currently on the NYS Labor Department Debarred list will not be considered for award of this contract. By submitting a bid for consideration, the bidder is indicating to the County that they are currently in good standing with the NYS Department of Labor at the time of the bid.

Insofar as the facts and Law relating to any claim would preclude COUNTY or its officers, employees or agents, from being completely indemnified by CONTRACTOR, COUNTY and its officers, employees and agents, shall be partially indemnified by CONTRACTOR to the fullest extent permitted by Law. The acts or omissions of any party employed directly or indirectly by CONTRACTOR, shall be deemed to be that of CONTRACTOR for the purposes of the CONTRACTOR's obligations to defend, indemnify and hold harmless under this Section. The fact that a party so employed by CONTRACTOR is alleged to or is proven to have acted outside the scope of employment, agency or contract, shall not relieve CONTRACTOR of any of its duties under this Section.
12. Venues and Disputes. The exclusive means of disposing of any dispute arising under a contract with Jefferson County, which is not disposed of by agreement, shall be decided in a New York State Court of competent jurisdiction located within Jefferson County, New York. There shall be no right to binding arbitration. Pending final resolution of a dispute, the Vendor must proceed diligently with contract performance. The Vendor waives any dispute or claim not made in writing and received by the County within thirty (30) days of the occurrence giving rise to the dispute or claim. The claim must be in writing for sum certain and must be fully supported by all cost and pricing information.

13. Contract Term and Renewal Option. The initial contract term shall be for a period of **three (3) years** effective upon date of award. Notice of intent to renew will be provided to the contractor generally within ninety (90) days prior to the expiration date of the current contract. This notice shall not be deemed to commit the County to renew the contract for the renewal period until such time as the County takes official action (generally by issuing a formal Purchase Order) to commit to such renewal. The County may issue new bids for a replacement contract at any time during the term of the initial contract if deemed necessary by the County to do so.

14. Contract Cancellation. Unless otherwise noted, the County of Jefferson retains the right to cancel any contract without cause provided the Vendor is given at least sixty (60) days notice of intent to cancel. This provision should not be understood as waiving the County's right to terminate the contract for cause or stop work immediately for unsatisfactory work, but is supplementary to that provision. The County may cancel a contract for any of, but not limited to the following:

- If a pattern develops where a vendor consistently fails to deliver product or services which do not meet the original specifications of the award
- It is determined that gratuities in the form of entertainment, gifts, or otherwise were offered or given by a Vendor, his agent, or representative to any County official or employee with intent toward securing favorable treatment with respect to the award of a contract or the performance of an agreement
- It is determined that the successful bidder engaged in any other illegal or improper scheme promotive of favoritism or unfairness incidental to the solicitation process or the performance of the agreement
- It is determined that said improper or illegal acts occurred, the County shall be entitled to terminate any agreement and/or exercise any other remedy available to it under existing law.

In the event of any termination, postponement, delay, suspension, or abandonment the Vendor shall deliver to the County all data, reports, plans, or other documentation related to the performance of the contract, including, but not limited to guarantees, warranties, plans, and shop drawings. In any of these events the County shall make settlement with the Vendor upon an equitable basis as determined by the County and shall fix the value of the work which was performed by the Vendor prior to the postponement, suspension, abandonment, or termination of the contract.

15. Short Term Extension. In the event a replacement contract has not been issued, any contract may be extended unilaterally by the County for an additional period of up to one month upon notice to the Vendor based on the same terms and conditions as the original contract. With the concurrence of the Vendor, the extension may be for a period of up to three months in lieu of one month. However, this extension terminates should the replacement contract be issued in the interim.

16. Emergency Purchasing. In the event that a disaster emergency is declared by Executive Order under Section 28 of Articles 2-b of the Executive Law, that an emergency exists requiring the prompt and immediate delivery of products or services, the County reserves the right to obtain such products or services from any source, including but not limited to this contract, as the County determines will meet the needs of such emergency. Vendor shall not be entitled to any claim or lost profits for products or services procured from other sources pursuant to this paragraph.

In the event an official "State of Emergency" is declared the successful Vendor agrees to provide any or all associated products and/or services on a 24/7 basis upon verbal or written notification by a representative of the County Purchasing Department or other assigned representative. Said products or services shall be provided within twelve hours of notification by the County Monday through Friday between 8:00am and 5:00pm and within twenty-four hours during off hours, weekends, or holidays.

Upon request of the County the successful Vendor shall provide a list of at least two names and contact information of the individuals having the authority to initiate the delivery of said products/services as needed. Upon request, the successful Vendor shall also supply a detailed plan for backup delivery of products and/or services in the event their main supplier is unable to fulfill the needs of the County in an emergency situation.

17. Pursuant to the provisions of Section 109 of the General Municipal Law, no Bidder to whom a contract is granted or awarded shall assign, transfer, convey, subcontract, or otherwise dispose of all or part of such contract, or of his right, title, and interest herein, including the performance of the contract or the right to receive monies due, or to become due, or of his power to execute the contract without the prior written consent of the Jefferson County Purchasing Department. This provision does not prohibit the bidder from entering into employment contracts or contracts for the acquisition of goods or facilities or the provision of services hereunder without the consent of the County. Prior to submitting a subcontractor for approval, bidder shall diligently inquire into the capability, qualifications, and background of the subcontractor, and the submission of a subcontractor for approval shall constitute an affirmative representation by the bidder that the subcontractor is fully capable, qualified, and licensed to provide the subcontracted services. Any subcontract entered into by the bidder pursuant to this bid shall provide that the bidder will retain ultimate control and responsibility for the service provided under the subcontract and that the subcontractor shall be bound by the provisions of the agreement between the bidder and the County and any other requirements applicable shall be deemed to exist between any subcontractor and the County, nor shall the bidder be relieved of any of the bidder's obligations under this contract, as a consequence of any subcontract approved by the County.
In the event the Bidder shall, without prior written consent, assign, transfer, convey, subcontract or otherwise dispose of the contract, or of his right, title, and interest herein, including the performance of the contract, or the right to receive monies due, or to become due, or his power to execute such contract, to any other person or corporations or upon receipt by Jefferson County of an attachment against the Bidder, the County of Jefferson shall be relieved and discharged from any and all liability and obligation growing out of such contract to such Bidder and the person or corporation to which such contract shall have been assigned, his assignees, transferees, or sublessee shall forfeit and lose all monies theretofore assigned on this contract, except so much as may be required to pay his employees.
18. The Successful Bidder agrees to comply with any and all applicable laws, codes, and regulations in connection with the goods and services called for in this bid as well as the non-discrimination and employment practices as required by applicable State and Federal laws and regulations regarding employment discrimination. The bidder assures the County that in accordance with applicable law: it does not and agrees that it will not discriminate in any manner on the basis of age, color, creed, national origin, race, religious beliefs, sexual preference or handicap.
19. Audit. The County, or its duly authorized agent, shall have access to and copies of the Contractor's records, including any books, electronic media, or programs, or material pertaining to work performed under the contract, at no cost to the County, to determine and verify the compliance with all contractual conditions. The County shall be granted access to such records at all reasonable times during the contract period and for three (3) years thereafter.
20. FOIL Requests. The New York State Freedom of Information Law (FOIL), as set forth in Public Officers Law, Article 6, mandates public access to certain government records. Generally, proposals submitted in response to this solicitation may constitute government records subject to FOIL. Proposals may contain, among other things, certain technical, financial, or other data and information that constitute trade secrets, if publicly disclosed, could cause substantial injury to the commercial enterprise's competitive position.

The County shall take reasonable steps to protect from public disclosure any of the Records which are exempt from disclosure under Section 87 of the Public Officers Law (the "Statute") provided that: (i) the Contractor shall timely inform an appropriate County official, in writing, that said records should not be disclosed; and (ii) said records shall be sufficiently identified; and (iii) designation of said records as exempt under the Statute is reasonable. Nothing contained herein shall diminish, or in any way adversely affect, the County's right or obligation to disclose in litigation.

21. Warranty. In providing goods and services pursuant to this contract seller agrees to be bound by all warranties required by New York State Law. The successful Contractor shall provide the County:
1. Any manufacturer's warranties and guarantees normally given as customary trade practice; and,
 2. For contracts involving the furnishing and/or installation of equipment, the Contractor, in addition to the requirements in (1) above, shall guarantee the satisfactory in-service operation of the equipment and related components for a period of one year following date of award at no additional cost to the County.

22. Equivalency. In submitting a proposal, the Bidder is agreeing to provide goods and services consistent with the specifications. Where a brand name or equivalent specification is used in this solicitation, the use of any brand name noted is for the purpose of describing the standard of quality, performance and characteristics desired and is not intended to limit or restrict competition.

A Contract, if awarded, will be on the basis of materials and equipment as described in the Drawings, or the Specifications, and "or equal" items submitted by the Bidder and accepted by the County. The Bidder may offer "or equal" items that meet the same performance or reliability standards as specified herein. If the Bidder offers an "or equal" item, the Bidder must include with the bid package, documentation establishing equality of construction, operation and utility. Said "or equal" items shall be accepted or rejected based upon the County's evaluation of the submitted documentation. All costs associated with the review of any "or equal" items prior to recommendation to award, shall be at the Bidder's expense.

If a submitted "or equal" item is rejected, the Bidders shall be afforded an opportunity to meet with the County to offer additional qualifying opinions and information prior to the County rejecting the bid. The Bidder shall not have the opportunity to submit any alternative materials or equipment after the bids are opened.

The decision to accept or reject an "or equal" item rests solely with the County. If a substitute "or equal" item is not accepted by the County, the bid will be deemed non-responsive and the County shall reject this bid. The next lowest responsive bid shall then be reviewed for recommendation of award.

23. Force Majeure: Except for the County's obligation to make payment for goods and/or services delivered hereunder, neither party hereto shall be liable for any failure to perform the terms of the contract when such failure is due to "force majeure" as hereinafter defined. The term "force majeure" as employed in this specification shall mean acts of God, strikes, lockouts, or industrial dispute or disturbances, civil disturbances, arrests and restraint from rulers or people, interruption by government or court orders, present and future valid orders of any regulatory body having proper jurisdiction, acts of the public enemy, wars, riots, blockades, insurrections, inability to secure or a delay in securing labor or materials, including delay in securing or inability to secure materials by reason of allocations promulgated by authorized governmental agencies, epidemics, landslides, lightning, earthquakes, fires, storms, floods, washouts, explosions, inability to obtain easements or right-of-way.

The "force majeure" shall, so far as possible, be remedied with a reasonable dispatch. The settlement of strikes or lockouts or industrial disputes or disturbances shall be entirely within the discretion of the

party having the difficulty and the above requirement that any “force majeure” shall be remedied with all reasonable dispatch shall not require the settlement of strikes, lockouts, or industrial disputes or disturbances by acceding to the demands of any opposing party therein when such course is inadvisable in the discretion of the parties having the difficulty.

24. Site Visit. All Contractors must attend the site visit at the same time. Contractors should attend a site visit to become familiar with any local conditions that may in any manner affect the work to be done, as well as equipment, materials, labor, or services required. Contractors are required to carefully examine the specifications and to familiarize themselves thoroughly with regards to any and all conditions and requirements of the installation. During the site visit, Contractors may specify if there are any necessary modifications or additions to the site, which are required. No allowances will be made because of lack of knowledge of these conditions. Ignorance of the requirements does not relieve the Contractors of their liability and obligations under these contracts.

A voluntary pre-bid meeting and on site review of the project will be conducted by the County and has been scheduled for **Thursday, February 28, 2019 at 10:00AM**. Please contact the Jefferson County Purchasing Department at 315-785-3077 to confirm your attendance.
