Prior to submitting a subcontractor for approval, bidder shall diligently inquire into the capability, qualifications, and background of the subcontractor, and the submission of a subcontractor for approval shall constitute an affirmative representation by the bidder that the subcontractor is fully capable, qualified, and licensed to provide the subcontracted services. Any subcontract entered into by the bidder pursuant to this bid shall provide that the bidder will retain ultimate control and responsibility for the service provided under the subcontract and that the subcontractor shall be bound by the provisions of the agreement between the bidder and the County and any other requirements applicable shall be deemed to exist between any subcontractor and the County, nor shall the bidder be relieved of any of the bidder’s obligations under this contract, as a consequence of any subcontract approved by the County.

The County shall be granted access to such records at all reasonable times during the contract period and for three (3) years thereafter.

17. **FOIL.** All material submitted in response to this Bid becomes the property of the County and will be considered public records after the award of the contract. Proposals shall not be shared with any competing offerors during the selection phase of this procurement; however, after award of the contract to the successful offeror, proposals received in response to this Request for Proposal may be subject to disclosure under a provision of the Freedom of Information Act. Information in proposals that is clearly identified as proprietary will not be disclosed at any time. Blanket statements that all contents of the proposal are confidential and proprietary will not be honored by the County. The New York State Freedom of Information Law (FOIL), as set forth in Public Officers Law, Article 6, mandates public access to certain government records. Generally, proposals submitted in response to this Bid may constitute government records subject to FOIL. Proposals may contain, among other things, certain technical, financial, or other data and information that constitute trade secrets, if publicly disclosed, could cause substantial injury to the commercial enterprise’s competitive position. To protect this information from disclosure under FOIL, Proposers should specifically identify the pages of the proposal that contain such information by properly marking the top of the applicable pages as “CONFIDENTIAL” and inserting the following statement in the front of its proposal:

> The information or data on pages___________ of this proposal, identified on the top thereof as “CONFIDENTIAL”, contain financial, technical, or other information which constitute government records subject to FOIL. Proposals may contain, among other things, certain technical, financial, or other data and information that constitute trade secrets, if publicly disclosed, could cause substantial injury to the commercial enterprise’s competitive position. In the event the County receives a FOIL request for disclosure of information marked as “CONFIDENTIAL”, the Proposer shall be notified of the request and may expeditiously submit a detailed statement and explanation indicating the reasons the Proposer has for believing that the information requested is exempt from disclosure under the law. This detailed statement and explanation shall be used by the County in making its determination as to whether disclosure is required under the law.

18. **Equivalency.** In submitting a proposal, the Bidder is agreeing to provide goods and services consistent with the specifications. Where a brand name or equivalent specification is used in this solicitation, the use of any brand name noted is for the purpose of describing the standard of quality, performance and characteristics desired and is not intended to limit or restrict competition.
A Contract, if awarded, will be on the basis of materials and equipment as described in the Drawings, or the Specifications, and “or equal” items submitted by the Bidder and accepted by the County. The Bidder may offer “or equal” items that meet the same performance or reliability standards as specified herein. If the Bidder offers an “or equal” item, the Bidder must include with the bid package, documentation establishing equality of construction, operation and utility. Said “or equal” items shall be accepted or rejected based upon the County's evaluation of the submitted documentation. All costs associated with the review of any “or equal” items prior to recommendation to award, shall be at the Bidder's expense.

If a submitted “or equal” item is rejected, the Bidders shall be afforded an opportunity to meet with the County to offer additional qualifying opinions and information prior to the County rejecting the bid. The Bidder shall not have the opportunity to submit any alternative materials or equipment after the bids are opened.

The decision to accept or reject an “or equal” item rests solely with the County. If a substitute “or equal” item is not accepted by the County, the bid will be deemed non-responsive and the County shall reject this bid. The next lowest responsive bid shall then be reviewed for recommendation of award.

19. Jefferson County may access contract pricing available through New York State contracts, GSA Schedule 70, Schedule 84, and Schedule 1122 contracts, and may “piggyback” on some contracts let by other municipal governments. If your products or services are offered through one of these sources you may offer the pricing of the alternate contract already in place. If at any time during the term of this contract the successful vendor also has a NYS, GSA, or other contract legally available to the County through General Municipal Law, the County reserves the right to purchase from any or all of the contracts and the vendor agrees to supply goods or services in accordance with that contract if requested to do so.

Jefferson County is soliciting bids to provide gasoline to clients using gas cards or vouchers. It is the intent to award this contract to a single vendor, and to purchase cards/vouchers approximately on a quarterly basis.

Jefferson County Social Services spends approximately $72,500.00 annually on gasoline cards for the “Job Club Participants Program.” It is our intent to purchase gas cards/vouchers in increments of $25 & $50, which will be issued to the clients. Approximately 25 cards/vouchers of the $25 increment, 350 cards/vouchers of the $50 increment may be issued each quarter for an approximate total of 1,500 annually.

Each $25.00 or $50.00 card/voucher must include a bar code on the card or voucher with a unique card number encoded in it, so the number and card issued to each client can be tracked. Cards must be readable by a scanner equivalent to our Motorola Symbol LS4208 Hand Held Scanner. Preferably, each card should have a unique card # imprinted on it that matches the bar code #. These cards or vouchers will be used for the purchase of REGULAR UNLEADED GASOLINE ONLY – NO OTHER FUEL OR PURCHASES ARE ALLOWED.

The Successful Vendor must sell the gasoline to the client at the CASH price at the time of the purchase. The Vendor may NOT charge the CREDIT price. The Vendor may NOT charge a price greater than the CASH price that all customers of that vendor, at that vendor’s location, would pay on exactly the same date and time.

No additional fees, costs or any funds whatsoever, other than the Total CASH price of the gasoline purchase, may be drawn or charged to the card/voucher at any time as part of any purchase using this card.

There can be No out of pocket payments of fees, costs or any other charges, for any reason, required of the customer using the card for a purchase, either at the time of the purchase or at any other time before or after that purchase’s date and time.

There can be No additional fees, costs or other charges billed to the County of Jefferson/JCDSS for any purchase(s) using any card(s), or as part of this contract award.

The Vendor must issue a gas card or voucher which includes this specific information: Vendor Name, a uniquely and/or sequentially numbered Card # imprinted on it, a Bar Code with a unique card #, $25 or $50 denomination, and “Gas Only” clearly printed on the card/voucher. A copy of a gas card that is currently in use is available upon request. Before the Vendor produces a printed gas card or voucher for this program, the vendor must review with the Social Services staff who oversees this program, the content and format of the printed gas card or voucher.

A Gas Only CREDIT Voucher or credit applied to the balance of a card must be issued to any client that is unable to fully expend the $25.00 or $50.00 gas card/voucher in a single fill-up. These Gas Only CREDIT vouchers must be pre-numbered and in sequential order and can be used for future Regular Unleaded Gas Only purchases at the Successful Vendor’s station(s).

The Vendor will not cancel a card/voucher or retain any balance remaining on that or any card/voucher either during the contract period or as of the final reconciliation date.

All balances remaining on each card/voucher at the date of the cards cancellation/deactivation or no later than the 90th day following the end date of the contract must be remitted back to JCDSS.

Without prior authorization from JCDSS staff, no card/voucher may be cancelled/deactivated earlier than 3 weeks prior or after the 90 day deadline.

All cards, with or without an available balance, and issued during the entire award term, must be
cancelled/deactivated and the cancellation/deactivation date must be recorded.

If a card/voucher is reported lost or damaged, the Vendor and the Social Services staff will review the problem and issue a new card/voucher with the remaining balance of that lost/damaged card/voucher being added to the replacement card.

A quarterly report in both PDF file and Excel file formats is required. This report shall contain at least the following minimum information for all cards/vouchers issued during the entire term of the contract and whether the card/voucher(s) has a purchase(s) or not. The report will be for all purchases (Cards with no purchases will be indicated with ‘None’) made during that reporting quarter.

A vendor may provide the usage data required using an in-house software program and does not need to create custom reports for Jefferson County as long as the data requested can be provided. Please feel free to provide details of the data that can be provided with your response.

II. Non-Collusive Bidding Certification

By submission of this bid proposal, the bidder certifies that he is complying with Section 103-d of the General Municipal Law as follows:

Statement of non-collusion in bids and proposals to political subdivision of the state. Every bid or proposal hereafter made to a political subdivision of the state or any public department, agency or official thereof where competitive bidding is required by statute, rule, regulation, or local law, for work or services performed or to be performed or goods sold or to be sold, shall contain the following statement subscribed by the bidder and affirmed by such bidder as true under the penalties of perjury: Non-collusive bidding certification.

A. By submission of this bid, each bidder and each person signing on behalf of any bidder certifies, and in the case of a joint bid each party thereto certifies as to its own organization, under penalty of perjury, that to the best of its knowledge and belief:

(1) The prices in this bid have been arrived at independently without collusion, consultation, communication or agreement, for the purpose of restricting competition, as to any matter relating to such prices with any other bidder or with any competitor.

(2) Unless otherwise required by law, the prices which have been quoted in this bid have not been knowingly disclosed by the bidder and will not knowingly be disclosed by the bidder prior to opening, directly or indirectly, to any other bidder or to any competitor; and

(3) No attempt has been made or will be made by the bidder to induce any other person, partnership or corporation to submit or not to submit a bid for the purpose of restricting competition.

B. A bid shall not be considered for award nor shall any award be made where A. (1)(2) and (3) above have not been complied with; provided, however, that if in any case the bidder shall so state and shall furnish with the bid a signed statement which set forth in detail the reasons therefore. Where A.(1)(2) and (3) above have not been complied with, the bid shall not be considered for award nor shall any award be made unless the head of the purchasing unit of the political subdivision, public department, agency or official thereof to which the bid is made, or his designee, determines that such disclosure was not made for the purpose of restricting competition.

(1) The fact that a bidder (a) has published price lists, rates, or tariffs covering items being procured, (b) has informed prospective customers of proposed or pending publication of new or revised price lists for such items, or (c) has sold the same items to other customers at the same prices being bid, does not constitute, without more, a disclosure within the meaning subparagraph one (a).
