Each bidder affirms that all figures provided are correct to the best of their knowledge and understands that Jefferson County will not be responsible for any errors or omissions on the part of the bidder regarding estimates, calculations, or preparation of the bid, and will not be grounds for withdrawal or correction of the bid or bid security except as provided under General Municipal Law. In case of errors between unit and extension of prices, the unit price will govern.

8. Award. The County has endeavored to incorporate within these specifications all the elements which it reasonably anticipates will be required to obtain responses from qualified Bidders. By submission of a bid you agree to provide goods or services consistent with these specifications unless otherwise stated. The bid will be awarded to the lowest responsive and responsible Bidder meeting the specifications or providing acceptable deviation.

It is further understood that any obligations imposed upon the insured (including, without limitation, the liability to pay premiums) shall be the sole obligation of CONTRACTOR and not those of the COUNTY.

Notwithstanding anything to the contrary in this Agreement, CONTRACTOR irrevocably waives all claims against the COUNTY for all losses, damages, claims or expenses resulting from risks commercially insurable under this insurance described in this Section. The acts or omissions of any party employed directly or indirectly by CONTRACTOR, shall be deemed to be that of CONTRACTOR for the purposes of the CONTRACTOR's obligations to defend, indemnify and hold harmless under this Section. 12. Venues and Disputes. The exclusive means of disposing of any dispute arising under a contract with Jefferson County, which is not disposed of by agreement, shall be decided in a New York State Court of competent jurisdiction located within Jefferson County, New York. The Vendor waives any dispute or claim not made in writing and received by the County within thirty (30) days of the occurrence giving rise to the dispute or claim. 13. Cooperative Bidding. It is understood and agreed that in addition to the County of Jefferson, other County agencies as well as Municipalities and School Districts throughout New York State may also "piggyback" off this contract and enter into its own contract with the successful Bidder.

Jefferson County reserves the right to allow all municipal and not for profit organizations and School Districts authorized under the General Municipal Laws of the State of New York, to purchase any goods and/or services awarded as a result of this bid in accordance with the latest amendments to NYS GML 100 through 104. No officer, board or agency of a county, town, village, or school district shall make any purchase through a County contract unless such purchase is made based on the same terms, conditions and specifications as the County's contract award.

Upon request, participating entities must furnish the Contractor with the proper tax exemption certificates and documentation of tax exempt status and all purchases shall be subject to audit by the political subdivision or district for which the purchase was made.

All orders will be placed by the participating entities and each entity shall be billed by and make payment directly to the successful Bidder.

The sole responsibility with regard to performance of the contract, or any obligation, covenant, condition or term thereunder is between the successful Bidder and the participating entities and not Jefferson County. In the event of a failure or breach in performance of any such contract by a participating entity or the successful Bidder, Jefferson County, specifically and expressly disclaims any and all liability for such defective performance or breach, or failure of either party to perform in accordance with its obligations, covenants and the terms and conditions of this Jefferson County centralized contract. Notice of intent to renew will be provided to the contractor generally within ninety (90) days prior to the expiration date of the current contract. This notice shall not be deemed to commit the County to renew the contract for the renewal period until such time as the County takes official action (generally by issuing a formal Purchase Order) to commit to such renewal. The County may issue new bids for a replacement contract at any time during the term of the initial contract if deemed necessary by the County to do so.
15. Contract Cancellation. Unless otherwise noted, the County of Jefferson retains the right to cancel any contract without cause provided the Vendor is given at least thirty (30) days notice of intent to cancel. This provision should not be understood as waiving the County's right to terminate the contract for cause or stop work immediately for unsatisfactory work, but is supplementary to that provision. The County may cancel a contract for any of, but not limited to the following:
- If a pattern develops where a vendor consistently fails to deliver product or services which do not meet the original specifications of the award
 - It is determined that gratuities in the form of entertainment, gifts, or otherwise were offered or given by a Vendor, his agent, or representative to any County official or employee with intent toward securing favorable treatment with respect to the award of a contract or the performance of an agreement
 - It is determined that the successful bidder engaged in any other illegal or improper scheme promotive of favoritism or unfairness incidental to the solicitation process or the performance of the agreement
 - It is determined that said improper or illegal acts occurred, the County shall be entitled to terminate any agreement and/or exercise any other remedy available to it under existing law.

In the event of any termination, postponement, delay, suspension, or abandonment the Vendor shall deliver to the County all data, reports, plans, or other documentation related to the performance of the contract, including, but not limited to guarantees, warranties, plans, and shop drawings. In any of these events the County shall make settlement with the Vendor upon an equitable basis as determined by the County and shall fix the value of the work which was performed by the Vendor prior to the postponement, suspension, abandonment, or termination of the contract.

16. **Short Term Extension.** In the event a replacement contract has not been issued, any contract may be extended unilaterally by the County for an additional period of up to one month upon notice to the Vendor based on the same terms and conditions as the original contract. With the concurrence of the Vendor, the extension may be for a period of up to three months in lieu of one month. However, this extension terminates should the replacement contract be issued in the interim.
17. **Emergency Purchasing.** In the event that a disaster emergency is declared by Executive Order under Section 28 of Articles 2-b of the Executive Law, that an emergency exists requiring the prompt and immediate delivery of products or services, the County reserves the right to obtain such products or services from any source, including but not limited to this contract, as the County determines will meet the needs of such emergency. Vendor shall not be entitled to any claim or lost profits for products or services procured from other sources pursuant to this paragraph.

In the event an official "State of Emergency" is declared the successful Vendor agrees to provide any or all associated products and/or services on a 24/7 basis upon verbal or written notification by a representative of the County Purchasing Department or other assigned representative. Said products or services shall be provided within twelve hours of notification by the County Monday through Friday between 8:00am and 5:00pm and within twenty-four hours during off hours, weekends, or holidays.

Upon request of the County the successful Vendor shall provide a list of at least two names and contact information of the individuals having the authority to initiate the delivery of said products/services as needed. Upon request, the successful Vendor shall also supply a detailed plan for backup delivery of products and/or services in the event their main supplier is unable to fulfill the needs of the County in an emergency situation.

18. Pursuant to the provisions of Section 109 of the General Municipal Law, no Bidder to whom a contract is granted or awarded shall assign, transfer, convey, subcontract, or otherwise dispose of all or part of such contract, or of his right, title, and interest herein, including the performance of the contract or the right to receive monies due, or to become due, or of his power to execute the contract without the prior written consent of the Jefferson County Purchasing Department.

Prior to submitting a subcontractor for approval, bidder shall diligently inquire into the capability, qualifications, and background of the subcontractor, and the submission of a subcontractor for approval shall constitute an affirmative representation by the bidder that the subcontractor is fully capable, qualified, and licensed to provide the subcontracted services. Any subcontract entered into by the bidder pursuant to this bid shall provide that the bidder will retain ultimate control and responsibility for the service provided under the subcontract and that the subcontractor shall be bound by the provisions of the agreement between the bidder and the County and any other requirements applicable shall be deemed to exist between any subcontractor and the County, nor shall the bidder be relieved of any of the bidder's obligations under this contract, as a consequence of any subcontract approved by the County.

In the event the Bidder shall, without prior written consent, assign, transfer, convey, subcontract or otherwise dispose of the contract, or of his right, title, and interest herein, including the performance of the contract, or the right to receive monies due, or to become due, or his power to execute such contract, to any other person or corporations or upon receipt by Jefferson County of an attachment

against the Bidder, the County of Jefferson shall be relieved and discharged from any and all liability and obligation growing out of such contract to such Bidder and the person or corporation to which such contract shall have been assigned, his assignees, transferees, or sublessee shall forfeit and lose all monies theretofore assigned on this contract, except so much as may be required to pay his employees.

19. The Successful Bidder agrees to comply with any and all applicable laws, codes, and regulations in connection with the goods and services called for in this bid as well as the non-discrimination and employment practices as required by applicable State and Federal laws and regulations regarding employment discrimination. The County, or its duly authorized agent, shall have access to and copies of the Contractor's records, including any books, electronic media, or programs, or material pertaining to work performed under the contract, at no cost to the County, to determine and verify the compliance with all contractual conditions. The County shall be granted access to such records at all reasonable times during the contract period and for three (3) years thereafter.
21. FOIL. All material submitted in response to this Bid becomes the property of the County and will be considered public records after the award of the contract. Proposals shall not be shared with any competing offerors during the selection phase of this procurement; however, after award of the contract to the successful offeror, proposals received in response to this Request for Proposal may be subject to disclosure under a provision of the Freedom of Information Act. Information in proposals that is clearly identified as proprietary will not be disclosed at any time. Blanket statements that all contents of the proposal are confidential and proprietary will not be honored by the County. The New York State Freedom of Information Law (FOIL), as set forth in Public Officers Law, Article 6, mandates public access to certain government records. Generally, proposals submitted in response to this Bid may constitute government records subject to FOIL. Proposals may contain, among other things, certain technical, financial, or other data and information that constitute trade secrets, if publicly disclosed, could cause substantial injury to the commercial enterprise's competitive position. To protect this information from disclosure under FOIL, Proposers should specifically identify the pages of the proposal that contain such information by properly marking the top of the applicable pages as "CONFIDENTIAL" and inserting the following statement in the front of its proposal:

The information or data on pages _____ of this proposal, identified on the top thereof as "CONFIDENTIAL", contain financial, technical, or other information which constitute government records subject to FOIL. Proposals may contain, among other things, certain technical, financial, or other data and information that constitute trade secrets, if publicly disclosed, could cause substantial injury to the commercial enterprise's competitive position. We request that the County use such information only for the evaluation of this proposal but we understand that the Authority must comply with the provisions of the New York State Freedom of Information Law (FOIL) and public disclosure of the information contained in this proposal whether or not marked as "CONFIDENTIAL", and to make no claim for any damages as a result of any such disclosure by the County pursuant to FOIL.

In the event the County receives a FOIL request for disclosure of information marked as "CONFIDENTIAL", the Proposer shall be notified of the request and may expeditiously submit a detailed statement and explanation indicating the reasons the Proposer has for believing that the information requested is exempt from disclosure under the law. This detailed statement and explanation shall be used by the County in making its determination as to whether disclosure is required under the law.

22. Equivalency. In submitting a proposal, the Bidder is agreeing to provide goods and services consistent with the specifications. Where a brand name or equivalent specification is used in this solicitation, the use of any brand name noted is for the purpose of describing the standard of quality, performance and characteristics desired and is not intended to limit or restrict competition.

A Contract, if awarded, will be on the basis of materials and equipment as described in the Drawings, or the Specifications, and “or equal” items submitted by the Bidder and accepted by the County. The Bidder may offer “or equal” items that meet the same performance or reliability standards as specified herein. If the Bidder offers an “or equal” item, the Bidder must include with the bid package, documentation establishing equality of construction, operation and utility. Said “or equal” items shall be accepted or rejected based upon the County’s evaluation of the submitted documentation. All costs associated with the review of any “or equal” items prior to recommendation to award, shall be at the Bidder’s expense.

If a submitted “or equal” item is rejected, the Bidders shall be afforded an opportunity to meet with the County to offer additional qualifying opinions and information prior to the County rejecting the bid. The Bidder shall not have the opportunity to submit any alternative materials or equipment after the bids are opened.

The decision to accept or reject an “or equal” item rests solely with the County. If a substitute “or equal” item is not accepted by the County, the bid will be deemed non-responsive and the County shall reject this bid. The next lowest responsive bid shall then be reviewed for recommendation of award.

23. Jefferson County may access contract pricing available through New York State contracts, GSA Schedule 70, Schedule 84, and Schedule 1122 contracts, and may “piggyback” on some contracts let by other municipal governments. If your products or services are offered through one of these sources you may offer the pricing of the alternate contract already in place.

If at any time during the term of this contract the successful vendor also has a NYS, GSA, or other contract legally available to the County through General Municipal Law, the County reserves the right to purchase from any or all of the contracts and the vendor agrees to supply goods or services in accordance with that contract if requested to do so.

24. Force Majeure: Except for the County’s obligation to make payment for goods and/or services delivered hereunder, neither party hereto shall be liable for any failure to perform the terms of the contract when such failure is due to “force majeure” as hereinafter defined. The “force majeure” shall, so far as possible, be remedied with a reasonable dispatch. The settlement of strikes or lockouts or industrial disputes or disturbances shall be entirely within the discretion of the party having the difficulty and the above requirement that any “force majeure” shall be remedied with all reasonable dispatch shall not require the settlement of strikes, lockouts, or industrial disputes or disturbances by acceding to the demands of any opposing party therein when such course is inadvisable in the discretion of the parties having the difficulty.

Any Contractor who has undertaken any of the above and is identified on a list created pursuant to Section 165-a (3)(b) of the New York State Finance Law as a person engaging in investment activities in Iran, shall not be deemed a responsible Bidder pursuant to Section 103 of the New York State General Municipal Law.

Separate contract awards may be made for the County and Jefferson Community College, if it is in the best interest of the participants to do so, but it is the hope and preference to award all locations identified in this bid to a single provider based on lowest overall monthly cost and the lift schedule/frequency noted. Where a container is listed as “on call” a single lift per month will be used to calculate both monthly and lowest overall cost.

The County intends to issue its own contract for this service and will issue annual Purchase Orders for each location listed. Vendor will submit monthly invoices to each County location, as well as all buildings owned by the College, and will provide an annual summary to the County Purchasing Department and the College for all activity and charges incurred during the year for each location.
