Agreement; or (b) CONTRACTOR'S failure to comply with any of the provisions of this Agreement or of the Law. Notice of intent to renew will be provided to the contractor generally within ninety (90) days prior to the expiration date of the current contract. This notice shall not be deemed to commit the County to renew the contract for the renewal period until such time as the County takes official action (generally by issuing a formal Purchase Order) to commit to such renewal. The County may issue new bids for a replacement contract at any time during the term of the initial contract if deemed necessary by the County to do so.
13. Contract Cancellation. Unless otherwise noted, the County of Jefferson retains the right to cancel any contract without cause provided the Vendor is given at least thirty (30) days notice of intent to cancel. This provision should not be understood as waiving the County's right to terminate the contract for cause or stop work immediately for unsatisfactory work, but is supplementary to that provision.
14. Pursuant to the provisions of Section 109 of the General Municipal Law, no Bidder to whom a contract is granted or awarded shall assign, transfer, convey, subcontract, or otherwise dispose of all or part of such contract, or of his right, title, and interest herein, including the performance of the contract or the right to receive monies due, or to become due, or of his power to execute the contract without the prior written consent of the Jefferson County Purchasing Department

All material submitted in response to this Bid becomes the property of the County and will be considered public records after the award of the contract. Proposals shall not be shared with any competing offerors during the selection phase of this procurement; however, after award of the contract to the successful offeror, proposals received in response to this Request for Proposal may be subject to disclosure under a provision of the Freedom of Information Act. Information in proposals that is clearly identified as proprietary will not be disclosed at any time. Blanket statements that all contents of the proposal are confidential and proprietary will not be honored by the County. The New York State Freedom of Information Law (FOIL), as set forth in Public Officers Law, Article 6, mandates public access to certain government records. Generally, proposals submitted in response to this Bid may constitute government records subject to FOIL. Proposals may contain, among other things, certain technical, financial, or other data and information that constitute trade secrets, if publicly disclosed, could cause substantial injury to the commercial enterprise's competitive position. To protect this information from disclosure under FOIL, Proposers should specifically identify the pages of the proposal that contain such information by properly marking the top of the applicable pages as "CONFIDENTIAL" and inserting the following statement in the front of its proposal:

The information or data on pages _____ of this proposal, identified on the top thereof as "CONFIDENTIAL", contain financial, technical, or other information which constitute government records subject to FOIL. Proposals may contain, among other things, certain technical, financial, or other data and information that constitute trade secrets, if publicly disclosed, could cause substantial injury to the commercial enterprise's competitive position. We request that the County use such information only for the evaluation of this proposal but we understand that the Authority must comply with the provisions of the New York State Freedom of Information Law (FOIL) and public disclosure of the information contained in this proposal whether or not marked as "CONFIDENTIAL", and to make no claim for any damages as a result of any such disclosure by the County pursuant to FOIL.

In the event the County receives a FOIL request for disclosure of information marked as "CONFIDENTIAL", the Proposer shall be notified of the request and may expeditiously submit a detailed statement and explanation indicating the reasons the Proposer has for believing that the information requested is exempt from disclosure under the law. This detailed statement and explanation shall be used by the County in making its determination as to whether disclosure is required under the law.

"When submitting a bid for consideration, unless otherwise noted, all bidders understand that Jefferson County may reject all submissions that are marked "confidential" either substantially or in their entirety (other than narrowly defined data considered a 'trade secret'. All submissions are considered non public information until the evaluation is complete and a Contract or Purchase Order is issued. At that point all submissions become public record."

17. Equivalency. In submitting a proposal, the Bidder is agreeing to provide goods and services consistent with the specifications. Where a brand name or equivalent specification is used in this solicitation, the use of any brand name noted is for the purpose of describing the standard of quality, performance and characteristics desired and is not intended to limit or restrict competition.

A Contract, if awarded, will be on the basis of materials and equipment as described in the Drawings, or the Specifications, and "or equal" items submitted by the Bidder and accepted by the County. The Bidder may offer "or equal" items that meet the same performance or reliability standards as specified herein. If the Bidder offers an "or equal" item, the Bidder must include with the bid package, documentation establishing equality of construction, operation and utility. Said "or equal" items shall be accepted or rejected based upon the County's evaluation of the submitted documentation. All

costs associated with the review of any “or equal” items prior to recommendation to award, shall be at the Bidder’s expense.

If a submitted “or equal” item is rejected, the Bidders shall be afforded an opportunity to meet with the County to offer additional qualifying opinions and information prior to the County rejecting the bid. The Bidder shall not have the opportunity to submit any alternative materials or equipment after the bids are opened.

The decision to accept or reject an “or equal” item rests solely with the County. If a substitute “or equal” item is not accepted by the County, the bid will be deemed non-responsive and the County shall reject this bid. The next lowest responsive bid shall then be reviewed for recommendation of award.

18. Jefferson County may access contract pricing available through New York State contracts, GSA Schedule 70, Schedule 84, and Schedule 1122 contracts, and may “piggyback” on some contracts let by other municipal governments. If your products or services are offered through one of these sources you may offer the pricing of the alternate contract already in place.
If at any time during the term of this contract the successful vendor also has a NYS, GSA, or other contract legally available to the County through General Municipal Law, the County reserves the right to purchase from any or all of the contracts and the vendor agrees to supply goods or services in accordance with that contract if requested to do so.

19. Requirements Contract. Bidder acknowledges that the Contract that will be entered into as a result of this solicitation will be a Requirements Contract, and the County guarantees no minimum or maximum purchases will be made. The County will have no obligation to the Contractor if no items or services are required. Any quantities which are included are the present expectations for the period of the contract and the Contractor understands and agrees that the County is under no obligation to the Contractor to buy any amount as a result of having provided this estimate or of having had any normal or otherwise measurable requirement in the past. The bidder further understands that the County may require services in excess of the estimated annual contract amount and that such excess shall not give rise to any claim for compensation other than at the unit prices in this Contract. This contract is an Indefinite Quantity Contract. All quantities or dollar values listed within these specifications are estimates.

B. A bid shall not be considered for award nor shall any award be made where A. (1)(2) and (3) above have not been complied with; provided, however, that if in any case the bidder shall so state and shall furnish with the bid a signed statement which set forth in detail the reasons therefore. Where A.(1)(2) and (3) above have not been complied with, the bid shall not be considered for award nor shall any award be made unless the head of the purchasing unit of the political subdivision, public department, agency or official thereof to which the bid is made, or his designee, determines that such disclosure was not made for the purpose of restricting competition.

- (1) The fact that a bidder (a) has published price lists, rates, or tariffs covering items being procured, (b) has informed prospective customers of proposed or pending publication of new or revised price lists for such items, or (c) has sold the same items to other customers at the same prices being bid, does not constitute, without more, a disclosure within the meaning subparagraph one (a).
