

#2023h-7 READY MIX CONCRETE

DETAILED SPECIFICATIONS

PART I READY MIX CONCRETE

Pursuant to bid and specifications the Contractor will furnish Portland Cement Concrete as described in the most recent NYSDoT *Standard Specifications of Construction & Materials* and addenda. Portland Cement - General either with Pozzolans such as fly ash, blast furnace slag or hydrated lime used to replace portions of Portland Cement, or without Pozzolans in the following classes of Ready Mix, or as approved by the County Highway Superintendent of Highways. Payments shall be made for requested services or materials measured in Customary US units.

SCHEDULING OF PLANT, MATERIAL PICKUP

- A) The County will schedule the plant a minimum of 24 hours in advance of material requirements, unless precluded by emergency field conditions, and/or weather conditions.
- B) Penalty clause for unnecessary delays in delivery of material at site. The County reserves the right to back charge the vendor for delays in excess of 30 minutes per truck, when such delays are a result of other than mechanical breakdowns of the vendor's plant. Charge backs will be based on the excess minutes over 30 minutes, times the average labor wage (including fringe benefits) of the County employee(s) and/or subcontracted employee(s), including truck rental.

OUT OF STOCK ITEMS

- A) It is imperative that the contractor's supplies are adequate to meet the Department's needs. Should the Contractor fail to deliver or provide goods ordered through a Purchase Order issued by the Purchasing Department for either of the following reasons:
 - 1. Does not have product on hand when it is needed.
 - 2. Cannot provide the product because of prior commitments or breakdown.

Then a product deemed by the Superintendent of Highways to be the equal of the specified commodity must be substituted by the contractor at no additional cost or expense to the County.

- B) If an appropriate commodity of equal specification is still not available the Department reserves the right to procure the goods from the next best available source. An alternative supplier will be selected from the bid tabulation to furnish material in accordance with the specifications.

MODIFIED CLASS A MATERIAL FOR INTERIOR FLOOR SLABS

Floor slabs which require the following Class A modified pumpable mix:

Cement	794 lbs
Fine Aggregates	1848 lbs
Course Aggregates #1	944 lbs
Course Aggregates #2	1411 lbs
Water	42.3 gal
Entrapped Air	0 to 3 %
Slump	4" +/- 1"
Plasticizer	Mid or High Range as required for pumping

Low-Density Cellular Concrete (LDCC) PRODUCTS SPECIFICATIONS

MATERIALS

FOAM LIQUID CONCENTRATE: Aerix Industries or equal and shall comply with the standard specifications of ASTM C 869 when tested in accordance with ASTM C 796.

CEMENT: Portland cement shall comply with ASTM C 150. Other supplemental cementitious material such as fly ash may be used when approved by the project engineer. Supplementary cementitious materials should be tested prior to the start of the project for compatibility with the foaming agent.

ADMIXTURES: Admixtures for accelerating, water reducing, and other specific properties may be used when specifically approved by the project engineer. Admixtures should be tested prior to the start of the project for compatibility with the foaming agent.

WATER use water that is potable and free from deleterious amounts of alkali, acid, and organic materials, which would adversely affect the setting or strength of the LDCC.

PROPERTIES

The LDCC shall meet the following properties:

Cast Density, lb/cu.ft (ASTM C 796)	30	36	42
Average Compressive Strength, lb/sq in (ASTM C 495)	40 – 140	80 - 210	120 - 330

Side Walk/Curb Mix Specification

CEMENT: Cement shall be Air Entraining Portland Cement Type 1-A conforming to Serial Designation C150 of the American Society of Testing Materials, or later revision thereof.

FINE AGGREGATE: Fine aggregate shall consist of a clean, sharp, coarse, washed sand; free from acids, silt, mud, organic matter or other deleterious materials.

COARSE AGGREGATE: Coarse aggregate shall be crushed stone. Such stone shall consist of clean, durable, sharp angled fragments of rock free from thin or elongated pieces, soft or disintegrated stone, dirt, stone dust, or other deleterious materials. Stone shall be graded and of uniform quality throughout. Round washed gravel will not be allowed.

Coarse aggregate shall consist of a well-graded mixture of commercial size crushed stone; No. 1, No. 2 and No.

CONCRETE: Concrete for sidewalks shall be made from Portland cement, fine aggregate, and coarse aggregate, conforming to specifications hereinbefore listed.

Concrete shall be mixed in the following proportions:

- 1 part Portland cement
- 2 parts fine aggregate
- 3 parts coarse aggregate

Concrete shall be mixed with clean water, free from mud, oils, grease, or other deleterious matter. The amount of water used per batch shall be the minimum amount necessary to produce a concrete of workable consistency and in general shall be 5 ½ gallons per sack of cement used. The amount of water used shall be such that in no batch shall the slump be less than 2” or more than 4”. Ready-mix concrete will have a minimum compressive strength of 5000 psi. Retempering or remixing of concrete, with or without additional cement, aggregates or water will not be permitted.

Concrete for Slip Form Curbing will consist of the same basic mix design of sidewalks except slump range will be from 1”-1.5”

CONTRACT PRICE ADJUSTMENTS:

All prices submitted must remain firm for a period of one hundred twenty (120) days from the date of award. Beginning September 1, 2022 subsequent price adjustments will be considered by the County. All requests for price adjustments must be submitted to the County a minimum of thirty (30) days prior to the date of the requested price adjustment. The change in price structure (increase or decrease) must be based on fluctuations in the latest published Consumer Price Index (CPI) for all urban consumers, as published by the U.S. Department of Labor, Bureau of Labor Statistics which is available at <https://stats.bls.gov>.

If, during the Contract term, the awarded vendor is unable to meet contractual requirements in whole or in part based on the price structure of the contract, it shall immediately notify the County in writing. The County may, but is not required to, consider an adjustment in the contract terms and/or pricing. Should the County in its sole discretion determine during the Contract term that the contract price structure results in prices which are unreasonable, excessive, or not truly reflective of current market conditions, and no adjustment in the contract terms and/or pricing is mutually agreeable, the County may terminate the contract through written notice to the vendor, purchase from an alternate source, or rebid the contract.

**PART II
CONTROLLED DENSITY LOW STRENGTH MATERIAL (C.D.L.S.M.)**

DESCRIPTION

This material is intended to be used as a backfill around culvert and bridge structures that will flow into place due to its fluidity and consolidate without vibration or puddling action. This material shall have a twenty-eight (28) day strength in the range of Thirty (30) to One Hundred Fifty (150) psi as measured by compressive strength in cylinders as ordered by the County Engineer. It must be capable of excavation with power equipment at some time in the future. C.D.L.S.M. is to be delivered in ready mix concrete trucks and placed by chute in a flowable condition directly into the cavity to be filled or into a pump for final placement.

Grace durafill or equal to achieve C.D.L.S.M. specification will be accepted.

MATERIALS

C D L S M shall consist of Portland cement, fly ash, fine aggregate, and water in proportions that will yield the strength for the use specified.

The undersigned shall furnish C D L S M as described within at a price F.O.B. Watertown, New York as follows:

Price Per Cubic Yard \$ _____.

Delivered to job site @ \$ _____/cubic yard, per mile, over _____ miles from plant.

Delivery with a telescoping conveyor truck reaching 30' to 50' with

**WAIVER OF IMMUNITY/NON-COLLUSIVE BIDDING CERTIFICATE PURSUANT TO
SECTION 103-D OF THE NEW YORK STATE GENERAL MUNICIPAL LAW**

- A. By submission of this bid, each bidder and each person signing on behalf of any bidder certifies, and in the case of a joint bid, each party thereto certifies as to its own organizations, under penalty of perjury, that to the best of knowledge and belief:
1. The prices in this bid have been arrived at independently without collusion, consultation, communication, or agreement, for the purpose of restricting competition, as to any matter relating to such prices with any other bidder or with any competitor.
 2. Unless otherwise required by law, the prices which have been quoted in this bid have not knowingly been disclosed by the bidder and will not knowingly be disclosed by the bidder, directly or indirectly, prior to opening, to any bidder or to any competitor.
 3. No attempt has been made or will be made by the bidder to induce any other person, partnership or corporation to submit or not to submit a bid for the purpose of restricting competition.

A bid shall not be considered for award nor shall any award be made where 1,2, and 3 above have not been complied with; provided, however, that in any case the bidder cannot make to foregoing certification, the bidder shall so state and shall furnish with the bid a signed statement which sets forth in detail the reasons thereof. Where 1,2, and 3 above have not been complied with, the bid shall not be considered for any award nor shall any award be made unless the head of the Purchasing Unit to the political subdivision, public department, agency or official thereof to which the bid is made, or his designee, determines that such disclosure was not made for the purpose of restricting competition.

The fact that a bidder (a) has published price lists, rates, or tariffs covering items being procured, (b) has informed prospective customer of proposed or pending publications of new or revised price lists for such items, or (c) has sold the same items to other customers at the same prices being bid, does not constitute, without more, a disclosure within the meaning of paragraph "A" above.

- B. Any bid hereafter made to any political subdivision of the state or any public department, agency or official thereof by a corporate bidder for work or services performed or to be performed or goods sold or to be sold, where competitive bidding is required by statute, rule, regulation, local law, and where such bid contains the certification referred to in paragraph "A" of this section, shall be deemed to have been authorized by the Board of Directors of the bidder, and such authorization shall be deemed to include the submission of the bid and the inclusion therein of the certificate as to non-collusion as the act and deed of the corporation.

Iranian Energy Sector Divestment

Contractor hereby represents that said Contractor is in compliance with New York State General Municipal Law Section 103-g entitled “Iranian Energy Sector Divestment”, in that said Contractor has not:

- a. Provided goods and services of \$20 Million or more in the energy sector of Iran including but not limited to the provision of oil or liquefied natural gas tankers or products used to construct or maintain pipelines used to transport oil or liquefied natural gas for the energy sector of Iran; or
- b. Acted as a financial institution and extended \$20 Million or more in credit to another person for forty-five days or more, if that person’s intent was to use the credit to provide goods or services in the energy sector in Iran.

Any Contractor who has undertaken any of the above and is identified on a list created pursuant to Section 165-a (3)(b) of the New York State Finance Law as a person engaging in investment activities in Iran, shall not be deemed a responsible Bidder pursuant to Section 103 of the New York State General Municipal Law.

Except as otherwise specifically provided herein, every Contractor submitting a bid in response to this Request for Bids must certify and affirm the following under penalties of perjury:

- a. “By submission of this bid, each Bidder and each person signing on behalf of any Bidder certifies, and in the case of a joint bid, each party thereto certifies as to its own organization, under penalty of perjury, that to the best of its knowledge and belief, that each Bidder is not on the list created pursuant to NYS Finance Law Section 165-a (3)(b).”

Jefferson County will accept this statement electronically in accordance with the provisions of Section 103 of the General Municipal Law.

Except as otherwise specifically provided herein, any Bid that is submitted without having complied with subdivision (a) above, shall not be considered for award. In any case where the Bidder cannot make the certification as set forth in subdivision (a) above, the Bidder shall so state and shall furnish with the bid a signed statement setting forth in detail the reasons therefore. The County reserves its rights, in accordance with General Municipal Law Section 103-g to award the Bid to any Bidder who cannot make certification, on a case-by-case basis under the following circumstances.

1. The investment activities in Iran were made before April 12, 2012, the investment activities in Iran have not been expanded or renewed after April 12, 2012, and the Bidder has adopted, publicized and is implementing a formal plan to cease the investment activities in Iran and to refrain from engaging in any new investments in Iran; or
2. The County of Jefferson has made a determination that the goods or services are necessary for the County to perform its functions and that, absent such an exemption, the County of Jefferson would be unable to obtain the goods or services for which the Bid is offered. Such a determination shall be made by the County in writing and shall be a public document.
